NES Terms and Conditions

1. Nissan Express Servicing and the offer of a Free WOF inspection or Free Roadside Assistance program (RSA) are available for Nissan vehicles only.
2. * Some exceptions may apply. Please refer to the full terms and conditions here. The advertised prices exclude GST. Nissan New Zealand reserves the right to vary or alter this offer without notice at any time.
3. ** Standard Handbook Scheduled Servicing is the recommended interval based replacement and inspection required for all NEW Nissan vehicles under the Nissan New Zealand manufacturers 3 year warranty period. Please refer to your owners handbook or phone 0800 4 NISSAN for more information.
4. Nissan Express Service (NES) and the offer of a Free Warrant of Fitness (WOF) inspection or Free Roadside Assistance (RSA) is only available for Nissan cars, SUV or LCV vehicles at Nissan dealers and affiliated Nissan service centres. GT-R and Nissan Trucks are excluded and no further discounts will apply such as lease vehicle or company car agreements, cash, trade or other associated loyalty discount schemes. The Free entitlements are only applicable for the vehicle being serviced at that time by the assigned NES dealer and is non transferable to another dealer, vehicle or exchangeable for cash.

5. The Free WOF inspection must be taken at the time of the NES and can be issued earlier than the expiry date if required. An inspection of WOF items does not include the cost to replace or adjust any items that fail to meet the WOF standard and this will be discussed with you at the time of the NES.
6. An entitlement to RSA for 12 months is offered alternatively to a Free WOF inspection. This is active from date of the NES undertaken. If another NES is performed within the same 12 month period, this will be activated from the date of that NES. The new RSA 12 month period will not extend from the expiry of the current RSA period. Once your dealer enrolls your vehicle, confirmation of your RSA programme will be sent to you via the email address provided.
7. The NES includes the replacement of engine oil and engine oil filter parts only and a specific check and inspection of components as outlined under "So what does NES involve?" section. Should your vehicle require any urgent repairs or adjustments to complete the NES or are in addition to the NES, these will be discussed with you prior to such undertakings.
8. NES pricing excludes vehicles with Diesel Particulate filter due to different grade of oils required. Particulate filter vehicles require a unique oils to ensure the engine continues to run as it should and is not subject to adverse cylinder bore and piston wear. Please continue to book your vehicle and request a quote before the service is carried out.
9. While Nissan makes every effort to ensure each NES is completed in around 90 mins this may not be possible in some circumstances. Factors which may affect Nissan's ability to complete your NES in around 90 mins include (but not limited to): the specific state of your vehicle such as being modified from original or components covered in excess mud or grime; whether your vehicle has arrived by the agreed appointment time and whether any work is undertaken as authorised by you in addition to the special NES. Contact your NES dealer to discuss your particular requirements or vehicle, if you think there may be extra time required or additional work.
